RESPONSE TO DENIAL OF PETITION TO MAKE SPECIAL

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Decision on Petition to Make Special mailed March 19, 2004, the Decision denied the Petition to Make Special filed on July 31, 2003 since the Petition did not include all of the references discussed in the Petition and which were not already of record. A two-month response date was set for May 19, 2004.

As indicated in the enclosed date stamped postcard, the Petition was filed with a copy of 21 publications when received at the Office of Initial Patent Examination. While the two non-patent publications have been properly matched with the file for the instant application, it appears that the remaining 19 U.S. patent publications have not been matched with the file. However, since the applicants initially submitted all 21 copies, consistent with the discussion with the Examiner, it is respectfully requested that the Decision be reconsidered and withdrawn.

However, if the Examiner still requires copies of the 21 publications requested by the Examiner, please contact the undersigned.

As indicated on page 2 of the Decision, no fee is required. However, if any further fees are required in connection with the filing of this Petition, please charge the same to our deposit account number 19-3935.

Respectfully submitted,
STAAS & HALSEY
